ZTE Falcon 4G LTE Mobile Hotspot Lands at T-Mobile at a Hot Price Beginning February 12

Release Date: 2016-02-04 Author: ZTE [Click: 400](#)

The new ZTE Falcon hotspot delivers worry free Wi-Fi at 4G LTE speeds while on-the-go

Richardson, Texas — February 3, 2016 — ZTE USA, the fourth largest smartphone supplier in the U.S. and second largest in the no-contract market*, today announced the availability of the ZTE Falcon 4G LTE mobile hotspot at T-Mobile. The compact and lightweight mobile hotspot provides fast, secure internet access for up to 10 WiFi devices wherever T-Mobile's network can take you. The ZTE Falcon is available online at www.t-mobile.com and at select T-Mobile retail locations for just \$79.99 MSRP beginning February 12.

"We understand consumers are always on the go. From the comfort of their own home to the office to activities outside, the need for reliable, secure WiFi access never changes," said Lixin Cheng, chairman and CEO of ZTE USA. "Users can depend on the ZTE Falcon's solid performance and long-lasting battery to connect them to people, information, or services online easily, whenever they want."

Worry-free, secure, and portable nationwide WiFi access

- When you don't want to rely on your smartphone or drain its battery, the ZTE Falcon can connect you to WiFi for hours thanks to its long-lasting 2000mAh battery
- Optimized for T-Mobile's network, the ZTE Falcon delivers expanded WiFi range and better signal quality for up to 10 devices
- You won't have to rely on slow or unsecure public WiFi thanks to T-Mobile's fast 4G LTE nationwide network and WiFi Calling capabilities can now be taken almost anywhere you may go**
- Measuring in at 105x60x16 millimeters in size and 110 grams in weight, the ZTE Falcon is ultra-portable for those on the go

The ZTE Falcon is durable and affordable. Matched with T-Mobile's affordable data plans the hotspot offers flexible and budget-friendly pricing options.

Pocket Communications Launches ZTE's Tri-Band C79 and C78

Release Date: 2009-04-02 Author: ZTE Click: 72

ZTE continues to expand carrier reach with C78 and C79 handsets available to Pocket Communications customers in New England and Texas markets

Las Vegas (CTIA BOOTH #5106), April 1, 2009 –ZTE USA, Inc., a subsidiary of ZTE Corporation, a leading global telecommunications equipment and network solutions provider, announced that its C79 and C78 Tri-Band handsets are now available through Pocket Communications to subscribers in its New England and Texas markets. In addition to the C88, this will be the second and third handsets ZTE has launched with Pocket Communications in 2009.

Both stylish and affordable options, the ZTE C78 and C79 are full-featured handsets that operate on AWS and PCS frequency bands and provide over 60MB of user memory for users who want to download games, ringtones and applications. The suite of features also includes Bluetooth capabilities and picture messaging. The ZTE C78 features a sleek design with a 2-inch backlit color display in a black and silver candy bar casing. The ZTE C79 is a clamshell phone equipped with a 1.3 Megapixel camera and an MP3 player with external music keys, a unique feature allowing users to listen to music and manage their playlists with ease.

“We are pleased to be expanding our carrier reach by partnering with Pocket Communications, one of the fastest growing carriers in the U.S.,” said Dr. George Sun, CEO, ZTE USA. “Particularly in this current economic climate, ZTE understands that it is more important than ever to provide carriers with the options consumers are looking for and devices equipped with the latest features at affordable prices.”

“At Pocket Communications, our mandate is to provide our customers with high quality handsets and services at attractive price points,” said Paul Posner, President and CEO, Pocket Communications. “We continue to demonstrate this commitment by launching the latest handsets from ZTE, the C78 and C79. Both are affordable mid-tier devices that deliver a rich user experience to our customers.”

“It’s important for Pocket Communications to partner with the right handset vendor who can provide the best technology with innovation and value for our customers,” said Amir Rajwany, Executive VP and CTO, Pocket Communications. “ZTE continues to be a good partner and has provided us with devices that allow us to meet the needs of our customers.”

As with all its products, ZTE both designs and manufactures its handsets in-house. ZTE USA offers a full portfolio of end-to-end wireless handset and networking solutions in the U.S. The company's handsets have won numerous design awards, and its flexible product design and manufacturing cycle enables ZTE USA to quickly deliver affordable products to customers.

In Honor of Its Social and Economic Contributions, ZTE USA Honored with Richardson EDGE 2013 International Business Award

Release Date: 2013-11-15 Author: ZTE [Click: 108](#)

DALLAS, TX November 15, 2013 — ZTE USA, the fastest-growing smartphone provider in the United States, has been recognized for its substantial contributions to Richardson’ s social and economic development with the EDGE 2013 International Business Award. Recognized together by the Richardson Economic Development Partnership (REDP), the Richardson Chamber of Commerce and the Richardson Rotary Club, ZTE USA has also helped cement the region’ s reputation as the home of the Telecom Corridor®.

“ZTE is proud to be headquartered in Richardson and honored to be recognized by the Richardson community for our 15-year track record of creating jobs, delivering innovation and serving the communities in which we live and work in the U.S.,” said Lixin Cheng, Chairman and CEO, ZTE USA. “We look forward to strengthening our relationship with local partners and co-developing Richardson’ s thriving economy.”

Since establishing its headquarters in Richardson, ZTE has invested more than \$350 million in U.S. growth, opened 11 offices and created 5 R&D centers, in order to successfully provide high-end technologies to consumers nationally and globally. Simultaneously, ZTE has invested in the local community by offering job opportunities to residents and by engaging with organizations such as its partnership with the Boys & Girls Club of Collin County.

"ZTE's success in the U.S. is an example of the fruitful tech ecosystem in Richardson's Telecom Corridor to other companies around the world," said Bill Sproull, president & CEO of the Richardson Chamber of Commerce. "We congratulate them on this award and on their continuing growth in the U.S. We look forward to a long and happy partnership with our friends at ZTE."

ZTE is one of seven companies to be recognized with the Richardson EDGE distinction. The 2013 International Business Award comes on the heels of **ZTE’ s latest partnership with the Houston Rockets**, demonstrating ZTE’ s continued commitment to building community relations throughout the state of Texas.

ZTE Announces New Blade Vantage 2 and Availability at Verizon Stores Nationwide

Release Date: 2019-10-15 Author: ZTE Click: 324

The Blade Vantage’ s prepaid successor runs on Verizon Wireless
RICHARDSON, Texas, October 14, 2019 – **ZTE Corporation**, a leading global provider of telecommunications, enterprise and consumer technology solutions for the mobile Internet, today announced that the Blade Vantage 2 will be available for purchase in participating Verizon stores across the U.S., and operate on Verizon’ s nationwide network.

For only \$59.99, the Blade Vantage 2 features a 5” full-wide video graphics array (FWVGA) 960x480 screen with an 18:9 ratio, optimizing the display for maximum comfort that makes messaging, social media browsing, and video viewing an immersive and enjoyable experience.

“At ZTE, we value affordability and accessibility. We’ re excited to team up with Verizon on the new ZTE Blade Vantage 2 and bring this great device to participating Verizon stores,” said Brad Li, CEO of ZTE USA. “The ZTE Blade Vantage 2 offers all the essential smartphone features at an unbeatable price—because everyone deserves a chance to buy a phone they love.”

Quad-core Processor, Ample Storage and Long-Lasting Battery

The MediaTek processor allows multiple apps to run simultaneously, providing the freedom to complete everyday tasks while maintaining top performance. This responsive quad-core processor enables users to multi-task seamlessly. The device runs on Android 9 for smooth performance.

With 16GB of internal memory, an external storage that’ s expandable up to 256GB, and a removable 2,050mAh battery, the phone is designed to support ample run-time and storage space.

Multi-Media and Entertainment Features

The Blade Vantage 2 offers a 2MP front camera and 5MP rear camera as well as 2 mic noise cancellation and a 3.5mm headphone jack. The phone comes with several preloaded Google apps including: Calculator, Calendar, Chrome, Clock, Contacts, Drive, Duo, Gmail, Google, Search+Assistant, Message+, Maps, Photos, Play Movies & TV, Play Music, Play Store, Phone, YouTube.

Pricing and Availability

The Blade Vantage 2 is priced at only \$59.99 and works seamlessly in over 200 countries. The new device can be purchased at participating Verizon locations, ZTE USA’ s online store, and on Verizon’ s website.

DECLARATION OF DU JIN

This is a declaration made in accordance with and pursuant to 28 U.S.C. § 1746.

I, DU JIN, declare under penalty of perjury under the laws of the United States of America that the following statements are true and correct:

1. I am over the age of eighteen years of age, am competent to testify to matters contained herein. This declaration is based on my personal knowledge, documents in the possession of ZTE Corporation and communications with other employees of ZTE Corporation.

2. I am a citizen of the People's Republic of China and a resident of Xi'an City. My native language is Mandarin Chinese and I understand English.

A. Background and Qualifications

3. I am employed by ZTE Corporation. My title at ZTE Corporation is Legal Director of Division 4. I have been employed by ZTE Corporation since 2006.

4. My business address is ZTE Plaza, Keji Road South, Hi-Tech Industrial Park, Nanshan District, Shenzhen, Guangdong 518057, People's Republic of China, which is ZTE Corporation's principal office.

B. ZTE Corporation Was Not Served With Copies of the Summonses and Complaints

5. ZTE Corporation was not served with copies of the summonses and complaints in the following five lawsuits filed by affiliated companies that do business under the "Cleartalk" brand:

- *PTA-FLA, Inc. v. ZTE Corporation*, Case No. 3:12-cv-01003-MMH-TEM, United States District Court Middle District of Florida (the "Florida Case")
- *Daredevil, Inc. v. ZTE Corporation*, Case No. 4:12-cv-01166-TIA, United States District Court Eastern District of Missouri (the "Missouri Case")
- *NTCH-West Tenn, Inc. v. ZTE Corporation*, Case No. 1:12-cv-01172-egb, United States District Court Western District of Tennessee (the "Tennessee Case")

- *PTA-FLA v. ZTE Corporation*, Case No. 3:12-cv-02616-CMC, United States District Court District of South Carolina (the “South Carolina Case”)
- *NTCH-WA Inc. v. ZTE Corporation*, Case No. 2:12-cv-03110-TOR, United States District Court Eastern District of Washington (the “Washington Case”)

6. Zhu Jinyun is ZTE Corporation’s Senior Vice President for North America and Europe. Zhu Jinyun is not an officer or director of ZTE Corporation and is not authorized to accept service of process on behalf of ZTE Corporation.

7. ZTE Corporation learned of the complaints filed in the Florida Case, the Missouri Case, the South Carolina Case, and the Washington Case, when a process server attempted to serve Zhu Jinyun with folder of document containing copies of the summonses and complaint in those cases in the United States Capitol building in Washington, D.C.

8. ZTE Corporation learned of the complaint filed in the Tennessee Case after a copy of the summons and the complaint was received in the mail by a receptionist at ZTE USA’s offices in Richardson, Texas. A copy of the summons and complaint for the Tennessee Case was also part of the folder of documents that the process server attempted to serve on Zhu Jinyun in the United States Capitol building.

C. ZTE Corporation is a Chinese Corporation

9. ZTE Corporation is a Chinese corporation, with its principal place of business located at ZTE Plaza, Keji Road South, Hi-Tech Industrial Park, Nanshan District, Shenzhen, Guangdong 518057, People’s Republic of China.
